

**ANGIE JANSSEN** LEED AP**CHIEF FINANCIAL OFFICER**

As part of the team since the early years,
I've enjoyed helping it grow.

I began my career working for one of the "Big 5" CPA firms, and then transitioned to production. When I joined the team that became Idibri, we all wore many hats. As the firm grew, my role transitioned from design support to overseeing all of the corporate details for day-to-day operations. It's been fun to be part of our growth into an international business. We've created a great team here.

EXPERIENCE

- Serves as an officer of Idibri, Inc.
- Background in production and corporate accounting.
- Handles accounting, HR and corporate affairs.
