

JOSH HEAD

REVIT TECHNICIAN

Getting from data to something that can be constructed is energizing to me.

I enjoy bringing ideas to life—to energize them and make them tangible and vivid. I have an innate awareness of how things are connected, and I enjoy my role on the team in pulling together parts into a whole.

EXPERIENCE

- Proficient in Revit and AutoCAD
- Collaborates with design and engineering staff to resolve planning and construction issues
- Gifted at improving processes

EDUCATION

BAAS in Organizational Leadership
Texas A&M Commerce (graduating 2020)
